## **Alain Bensoussan**

This highly regarded local boutique is entirely dedicated to IT law, and has an excellent reputation for contentious work, software and Internet-related issues. It is widely recognised in France for its copyright and counterfeiting work, and often represents high-profile French clients, including software companies. Renowned IT law expert **Alain Bensoussan** rises in the rankings this year in recognition of his long experience in the sector. Another standout name at the firm is **Benoît de Roquefeuil**, who leads the competition and IT litigation departments. He is admired for his dexterity in risk assessment and his judicial management of contentious matters.
